They will not be permitted to pick up the child until their identity and authorization has been verified. Car Tags can be picked up at our Parent Camp Kick-Off, or will be given to them on their child's first day of camp.

MID-DAY ARRIVAL/DISMISSAL:

If your child is being dropped off at camp late or being picked up early, please arrive and park in the visitor lot and walk up the hill to the main house. Please ask for our Director of Education - Caitlin, who will properly check in your child for drop-off or verify that you are authorized to pick them up.

Please Note: *only names listed on your child's authorization list will be allowed to pick up your child. To add a person to your child's authorized list, please contact Caitlin at corellana@sml.org.*

EXTENDED HOURS:

Early Drop-Off: 8:30am

Late Pick-Up: 4:00pm

Please use the visitor entrance (off Rock Hollow Rd.) and follow signs for staff parking. Children should be dropped off/picked up at the front porch of the main building.

Extended hours can be purchased as a single or weekly pass on our website. Day-of extended hours can be paid using the QR code located on the front porch that will allow you to pay from your phone. SMLI staff can accept cash payment in a labeled envelope as well.

WHAT TO BRING:

All campers will have a cubby to store any personal items. SMLI encourages campers to keep most of their belongings at camp throughout the week. All items will be returned home on Friday, even if your child will be returning to camp the following week.

We recommend your child bring the following items to camp (labeling items is highly recommended):

- Sunscreen & Bug spray*
- Bathing Suit/Towel**
- Allergy Medication
- Extra change of clothes
- Reusable water bottle
- Hat

*SMLI will provide sunscreen/bug spray if campers do not have their own. We highly recommend that campers arrive with sunscreen pre-applied. It will be reapplied before campers head out for lunch & recess.

*Bathing Suit/Towel: Campers will have access to sprinklers during recess. Due to limited changing space and time, we request that campers come to camp with their bathing suits underneath their clothing if possible. Towels will be hung up to dry each day and will return home with campers on Fridays.

LUNCH & SNACK:

Campers should come with a packed lunch Monday-Thursday. SMLI offers pizza lunch on Fridays for all campers who have received authorization. ***Please note: we are not a peanut-free camp. Children with peanut/other allergies will be seated at nut-free tables.***

Campers may purchase snacks from our snack bar to accompany their lunch each day. All forms of payment are accepted. The Tiny Explorers group will have a brief snack time during the second half of each camp day. Please provide a small snack alongside your child's lunch each day if you do not want them to purchase snacks from the snack bar.

ALLERGY MEDICATION:

If your child has an EpiPen, Auvi-Q, or other epinephrine injector please provide it in a labeled plastic bag for their educator to keep on-hand, along with any unique instructions you would like to provide. Similarly, please also pack their Benadryl or other medication in a labeled plastic bag with directions on dose and usage. SMLI has educators that have been certified in First Aid and CPR by the Red Cross; if you would like to speak to your child's educator directly regarding your child's medical conditions, you may do so during drop-off of the first day of their camp week. **Please note you will be asked to pull off to the side to speak with an educator to keep the drop-off line moving quickly.* Please feel free to reach out with any additional questions regarding allergens, dietary restrictions, or other medical concerns.

FUN FRIDAYS:

Fun Fridays are our way of ending the week in a fun and exciting way. They will feature a different activity/event each Friday as well as a visit from local ice cream truck legend Mel- the ice cream is on us! We will have a small selection of ice cream they can choose from - if they would like to purchase something outside that selection - please have them bring additional cash or it can be subtracted from their camper cash card. Campers will also be invited to dress up for Fun Fridays. Each week will feature a unique theme. We also have a giant slip n' side and sprinklers so please be sure your child has a bathing suit on each of these days.

CAMP T-SHIRTS:

Each camper will receive a complimentary SMLI Summer Camp T-Shirt when they start camp. While preferred, campers are not required to wear their camp shirt every day of camp. All campers will be tie-dying their shirt at the beginning of each week. If your child is a returning camper, they may bring additional items to tie-dye. Additional t-shirts maybe purchased when registering for camp. Families that purchase their additional shirts prior to May 15th will be able to pick-up their shirts at our Parent Camp Kick-off on June 15th. Additional t-shirts associated with registrations after May 15th will be given to campers on their first day of camp.

CAMPER CASH:

Campers can purchase items at the snack bar throughout the week and from the gift shop on Fun Fridays. If you do not wish to use an SMLI camper cash card, your child may still purchase snacks and gift shop items. All forms of payment are accepted.

- **New Campers:** If you would like to set up a camper cash card for your child, please send them with cash in a marked envelope on their first day of camp. The newly activated card will be sent home later that day. Parents can go online [here](#) to reload their child's balance at any time. Any receipts for purchase made by your child will be emailed to the email address linked to the account.
- **Returning Campers:** if your child already has a camper cash card from Summer Camp 2022, that card is still active, and new funds can be added as needed [here](#). Our staff can locate your child's card directly on our system.

PERSONAL ITEMS:

While we do not prohibit children from bringing toys, electronics, Pokémon cards, etc., please keep in mind that we are not responsible for lost or damaged property. Our staff will do their best to find lost goods (labeling everything belonging to your child is always a good idea and a huge help!) but we cannot guarantee everything will be found on our large property. We would also appreciate your emphasizing to your child that these things can only come out at recess, cannot be shared/traded, and are their responsibility.

For any additional questions/concerns, please contact Caitlin Orellana at corellana@sml.org or by phone at 516.564.2274.
