

## SMLI Summer Camp Terms of Agreement Form

Please read through the following and sign your name at the bottom. No camper will be admitted to camp without a signed form on file.

- Parent/guardian understands and has read through the SMLI Camp Cancellation Policy, which can be found here.
- Parent/guardian is responsible for providing transportation and lunch (apart from Wednesday & Friday if authorization has been provided for camper to receive food from SMLI).
- In the event of an emergency, parent authorizes SMLI to administer medication (such as injection of EpiPen and oral administration of Benadryl) in the event of a severe allergic reaction and/or obtain emergency medical care and/or provide basic first aid measures should any of these be necessary during camp hours. \*SMLI Staff will reach out to listed emergency contact in the event of such a situation.
- Parent/guardian understands that SMLI staff, including educators, counselors, etc., do have any training for special needs campers. Parents/guardians are responsible for providing transparency for campers with special needs to assist SMLI as best as possible to work with their child.
- SMLI is not responsible for any damaged, stolen, or misplaced property.
- SMLI reserves the right (and, indeed, considers it a responsibility) to dismiss any camper for improper behavior. Improper behavior includes, but is not limited to; persistent rudeness to or bullying of others, repeated failure to obey the reasonable requests made by teachers and staff, and the deliberate misuse or destruction of supplies/materials used in activities. Dismissals are exceptionally rare, and our educators do their best to communicate issues before problems escalate to this level. Parents understand that no refund(s) will be given should such a step be deemed necessary.
- Parent guarantees camper's physical fitness to participate in camp activities and agrees to hold harmless SMLI, its employees, and agents from any and all liability arising from a camper's participation in the activities carried out at camp. Either a letter of medical clearance from a camper's physician or a copy of camper's school physical examination (no older than one year prior to the start of camp) must be on file with SMLI no later than June 15th. As stated elsewhere, camper will not be admitted to camp unless medical form is on file and no refunds/credits will be issued for day(s) missed for this reason.
- No refunds/credits will be issued for day(s) missed due to illness or other absences.
